Tamil nadu-608602

## Skills

- Cloud and MYSQL
- Data Structure
- OOPS in Java
- C ,C++,PYTHON PROGRAMMING LANGUAGE
- HTML,CSS,JS,PHP,Node js

## Language

- English
- Tamil

## Project

### RAILWAY STATION DATABASE MANAGEMENT SYSTEM

- Designed a role-based system with Admin (password-protected) and Passenger modules.
- Admin manages trains, employees, and reports, while passengers can directly access train schedules.
- Ensured secure data access and simplified usability for both staff and passengers.

## Achievements

- Winner (2x) – Zonal Level Chess, Coimbatore
- Runner-up & 3rd Prize – Centies Chess Tournament
- Block & Taluk Winner, District Participant – Cuddalore Chess Competitions
